Introduction

This guideline outlines the process for obtaining consent from patients within the BCSP for endoscopic procedures.

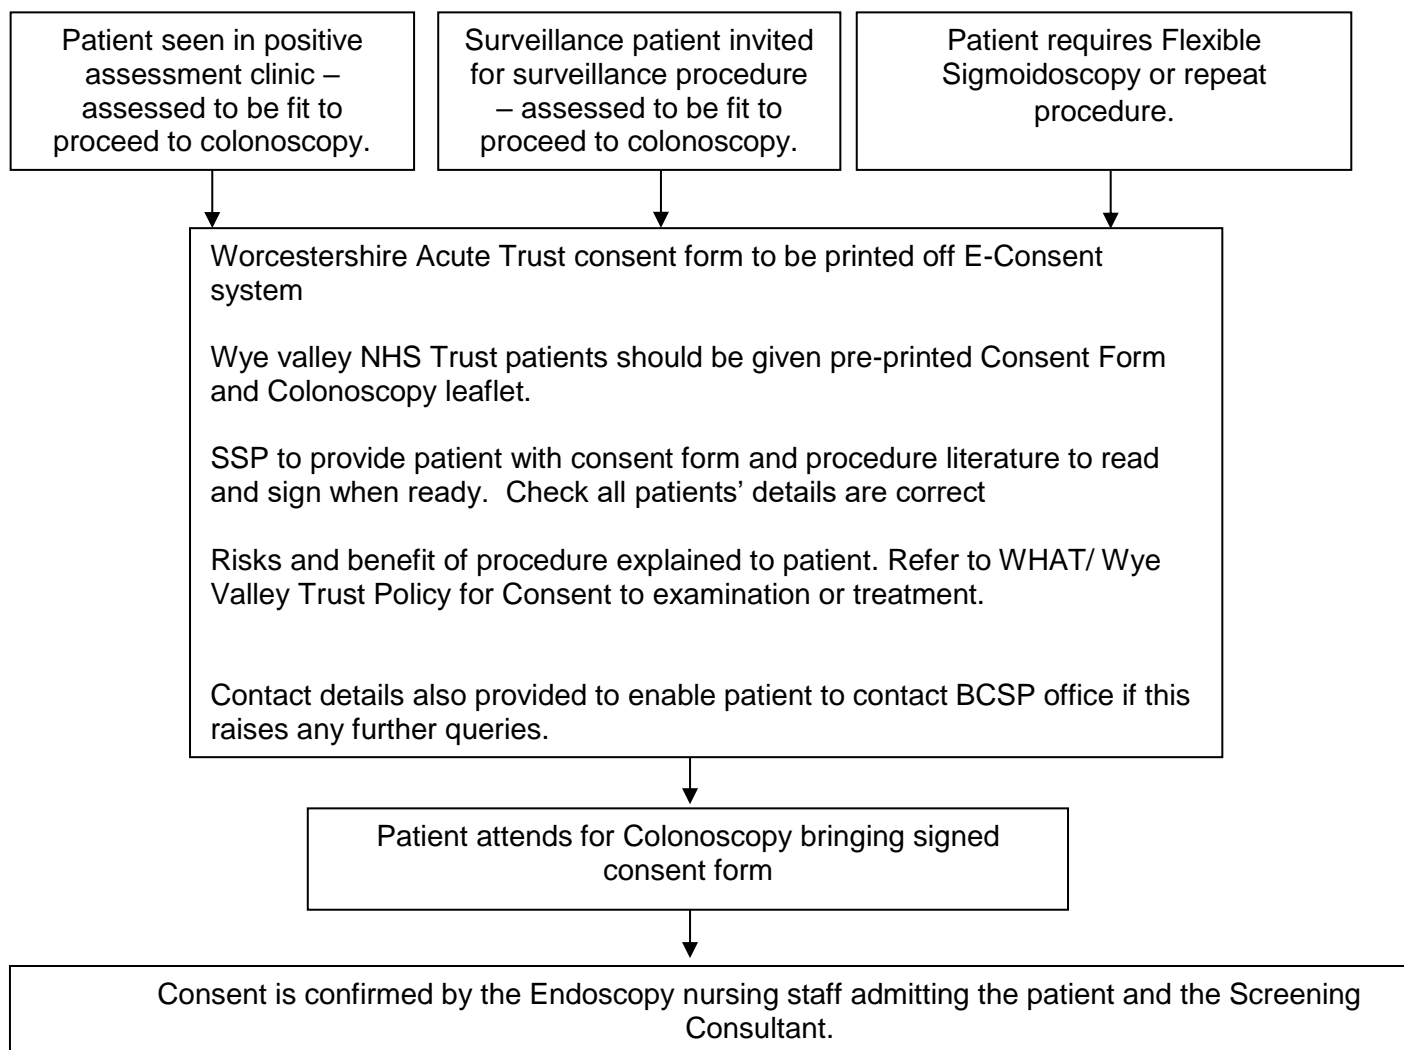

This document applies to BCSP Screening Colonoscopists, Specialist Screening Practitioners (SSPs) working within the Herefordshire & Worcestershire Bowel Cancer Screening Programme. It should also be considered by endoscopy departments receiving BCSP patients.

This guideline will need to be implemented when commencing the consent pathway for colonoscopy procedures to ensure that all patients receive informed consent.

All BCSP and endoscopy staff will be notified of this documents existence and it will form part of the induction plan for new staff.

This policy can be found on the Worcestershire Acute Trust Website.

PATHWAY

Please note that the key documents are not designed to be printed, but to be used on-line. This is to ensure that the correct and most up-to-date version is being used. If, in exceptional circumstances, you need to print a copy, please note that the information will only be valid for 24 hours and should be read in conjunction with the key document supporting information and/or Key Document intranet page, which will provide approval and review information.
