**Introduction**

The aim of this guideline is to provide a pathway for patients who are unfit for screening colonoscopy. This includes patients who are unable to take bowel preparation, patients with significant co-morbidities which contra-indicate colonoscopy or patients in whom previous colonoscopy has failed.

Please note that the key documents are not designed to be printed, but to be used on-line. This is to ensure that the correct and most up-to-date version is being used. If, in exceptional circumstances, you need to print a copy, please note that the information will only be valid for 24 hours and should be read in conjunction with the key document supporting information and/or Key Document intranet page, which will provide approval and review information.
