**Specialty Clinical Key Document Page**

Please note that the clinical key documents are not designed to be printed, but to be viewed on-line. This is to ensure that the correct and most up to date version is being used. If, in exceptional circumstances, you need to print a copy, please note that the information will only be valid for 24 hours and should be read in conjunction with the Key Document Supporting Information and/or Key Document Intranet page, which will provide additional information including approval and review dates.

If you find any problems with this website or have any queries, please email [info@waxet-keydocuments.nhs.uk](mailto:info@waxet-keydocuments.nhs.uk)
