APPROVED FOR PUBLICATION BY CLINICAL GOVERNANCE

The main purpose of key documents is to standardise practice and service delivery to reflect the best available evidence thereby reducing unjustified variations, hence improving quality. Having effective, up to date and easily followed key documents minimises risk to patients, employees and the Trust.

Key documents included within this website all comply with the trust governance procedures and the Policy for development, management and approval of key documents. [View Policy](#)

For further information or for assistance with any aspect of this process or website, please contact the NICE and Key Documents Team. Elaine Chapman, NICE and Key Documents Manager
