APPROVED FOR PUBLICATION BY CLINICAL GOVERNANCE

The main purpose of key documents is to standardise practice and service delivery to reflect the best available evidence thereby reducing unjustified variations, hence improving quality. Having effective, up to date and easily followed key documents minimises risk to patients, employees and the Trust.

Key documents included within this website all comply with the trust governance procedures and the Policy for development, management and approval of key documents. [View Policy](#)

For further information or for assistance with any aspect of this process or website, please contact the NICE and Key Documents Team. Elaine Chapman, NICE and Key Documents Manager

Elaine.chapman@nhs.net
Ext 38634 DD 01905760596

Ben Payne, NICE and Key Documents Support Officer

Ben.Payne@nhs.net
Ext 36788

If you find any problems with this website or have any queries, please email wah-tr.SYST-KeyDocs@nhs.net

The information included within the key documents is for use by clinical/specialist staff. If you are a patient requiring information, please refer to the relevant patient information leaflets and discuss with your clinician.

Endoscopy Key Documents

Please note that the clinical key documents are not designed to be printed, but to be viewed on-line. This is to ensure that the correct and most up to date version is being used. If, in exceptional circumstances, you need to print a copy, please note that the information will only be valid for 24 hours and should be read in conjunction with the Key Document Supporting Information and/or Key Document Intranet page, which will provide additional information including approval and review dates.

Endoscopy Key Documents

- [Guideline for conscious sedation practice in adult endoscopy.](#)
Review date - 1st November 2019
This is the most current document and should be used until a revised version is in place.
- [Discharge guidelines for endoscopy patients](#)
Review date - 28th February 2019
This is the most current document and should be used until a revised version is in place.
- [Endoscopy operational policy](#)
Review date - 28th November 2020
This is the most current document and should be used until a revised version is in place.

From here the relevant key documents will be listed for the specialty.

You can also use the search button to search for documents (referred to as assets in the search results) or pages.

Type a keyword into the search button

A screenshot of a search results page. At the top, there is a navigation bar with 'Site Map', 'Text Size: Larger / Normal / Smaller', 'Log In/Log Out', a search input field, and an orange 'Search' button. Below this is a blue header with the text 'Worcestershire Key Documents' and the NHS logo for 'Worcestershire Acute Hospitals NHS Trust'. A horizontal menu contains links for 'Home', 'Types of Key Documents', 'Specialty/Department Key Document Pages', 'Trustwide Key Documents', and 'Patient Information'. Below the menu is a toolbar with buttons for 'Edit', 'Live', 'Properties', 'Options', 'Interaction', and 'Activity'. Underneath is another toolbar with 'Content', 'General', 'Scheduling', 'Categories', and 'Metadata'. The main content area is titled 'Search' and shows the results for the query 'endoscopy', which took 0.48 seconds and found 16 matches. The results are listed as follows:
