APPROVED FOR PUBLICATION BY CLINICAL GOVERNANCE

The main purpose of key documents is to standardise practice and service delivery to reflect the best available evidence thereby reducing unjustified variations, hence improving quality. Having effective, up to date and easily followed key documents minimises risk to patients, employees and the Trust.

Key documents included within this website all comply with the trust governance procedures and the Policy for development, management and approval of key documents. [View Policy](#)

For further information or for assistance with any aspect of this process or website, please contact the NICE and Key Documents Team. Elaine Chapman, NICE and Key Documents Manager

Elaine.chapman@nhs.net

Specialty Clinical Key Document Page

Please note that the clinical key documents are not designed to be printed, but to be viewed on-line. This is to ensure that the correct and most up to date version is being used. If, in exceptional circumstances, you need to print a copy, please note that the information will only be valid for 24 hours and should be read in conjunction with the Key Document Supporting Information and/or Key Document Intranet page, which will provide approval and review information.

If you find any problems with this website or have any queries, please email wah-tr.SYST-KeyDocs@nhs.net

Nursing Key Documents

Please note that the clinical key documents are not designed to be printed, but to be viewed on-line. This is to ensure that the correct and most up to date version is being used. If, in exceptional circumstances, you need to print a copy, please note that the information will only be valid for 24 hours and should be read in conjunction with the Key Document Supporting Information and/or Key Document intranet page, which will provide additional information including approval and review dates

Nursing Key Documents

- [Acute pain control for adult patients](#)
Review date - 26th December 2020
This is the most current document and should be used until a revised version is in place
- [Breast examination by specialist breast care nurses](#)
Review date - 6th March 2020
This is the most current document and should be used until a revised version is in place
- [Care pathway for all patients with a tracheostomy](#)

You can also use the search button to search for documents (referred to as assets in the search results) or pages.

Type a keyword into the search button

A screenshot of the 'Worcestershire Key Documents' search results page. The page has a blue header with the title 'Worcestershire Key Documents' and the NHS logo. Below the header is a navigation menu with links for 'Home', 'Types of Key Documents', 'Specialty/Department Key Document Pages', 'Trustwide Key Documents', and 'Patient Information'. The main content area features a search bar with the text 'Search...' and an orange 'Search' button. Below the search bar, there are tabs for 'Edit', 'Live', 'Properties', 'Options', 'Interaction', and 'Activity'. A table with columns 'Content', 'General', 'Scheduling', 'Categories', and 'Metadata' is visible. The search results show a search for 'mattress' with 5 matches found. The first result is a 'Page' titled 'Policy' for 'Mattress Decontamination Storage Treatment Pathways'. Other results include 'Tissue Viability Key Documents', 'Nursing Key Documents', and 'Full List of Key Documents'. The page also shows 'Showing 1 - 4 of 4.' and 'Showing 1 - 1 of 1.' for the asset.
