

Enhanced Support Pathway – Band 5-6 Midwives

When it has not been possible to complete the K2 Fetal Monitoring Package achieving 80% in all of the competency assessments, a further support package is available as below via the maternity training team.

This package will focus on any area(s) in which competency has not been met within the K2 Package or any areas, where further fetal monitoring support is requested.

Timescale to be completed within 6 months	
Date commenced	
Expected completion date	
Name	
Line Manager	
FS Midwives	Kate Griffiths Becky Hogan Wah-tr.fetalsurveillance@nhs.net
Practice Development Midwife	Jane Wardlaw j.wardlaw@nhs.net
